Reference: Compliance Filing to Incorporate NERC's Revised Transmission Loading  
Relief Procedures

Ladies and Gentlemen:

New York Independent System Operator, Inc.'s (NYISO) submittal is accepted for filing effective November 4, 2005, as requested and as designated.

On November 4, 2005, NYISO filed revised tariff sheets to its Open Access Transmission Tariff to comply with the Commission's October 7, 2005 order in *North American Electric Reliability Council* (NERC), 113 FERC ¶61,013 (2005) (October 7, 2005 Order). In the October 7, 2005 Order, the Commission accepted NERC's revision to Reliability Standard IRO-006-0 of its Version 0 Transmission Loading Relief (TLR) procedures to allow dynamic schedules to be updated without being held when a TLR has been declared. The Commission required every transmission-operating public utility adopting NERC's proposed revision to its TLR procedures to file with the Commission, within 30 days of the date of the October 7, 2005 Order, revised tariffs sheets adopting the revised TLR procedures. NYISO's revised tariffs sheets satisfactorily comply with the requirements of the October 7, 2005 Order.

The filing was noticed on November 15, 2005, with comments due on November 25, 2005. No protests or adverse comments were filed.

This action is taken pursuant to the authority delegated to the Director, Division of Tariffs & Market Development – East under 18 C.F.R. § 375.307.

This acceptance for filing shall not be construed as constituting approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against your company.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Anna V. Cochrane, Director  
Division of Tariffs and Market  
Development – East
