Re: Notice of Appeal to Management Committee of KeySpan-Ravenswood, LLC and  
NRG Power Marketing, Inc.

Dear Mr. King:

On December 30, 2002, KeySpan-Ravenswood, LLC (“KeySpan”) and NRG Power Marketing, Inc. (“NRG”) filed a Notice of Appeal of the approval of Motion # 3 of the Business Issues Committee (“BIC”) to amend the New York Independent System Operator’s Demand Curve proposal at the December 13, 2002 BIC meeting. On January 7, 2003, Consolidated Edison Solutions, Inc. (“CES”) filed a letter in opposition to the Keyspan-NRG motion.

The City of New York (“City”) is in accord with the views expressed in the letter in opposition from CES, and hereby expresses its opposition to the Keyspan appeal. The City hereby requests that the Management Committee uphold the decision of the BIC in this matter.

The City also reiterates its opposition to the Demand Curve proposal embodied in Motion #2 before the BIC on December 13, 2002, as more fully expressed in the City Motion in Opposition thereto filed with the NYISO on January 6, 2003.

Respectfully submitted,
