

OPERATING AGREEMENT

BETWEEN THE

NEW YORK INDEPENDENT SYSTEM OPERATOR, INC.

AND

TRANSMISSION OWNERS

~~This Agreement is made as of the ____ day of _____, 1999, by and among Central Hudson Gas & Electric Corporation, Consolidated Edison Company of New York, Inc., New York State Electric & Gas Corporation, Niagara Mohawk Power Corporation, Orange and Rockland Utilities, Inc., Rochester Gas and Electric Corporation (referred to collectively as the “Investor Owned Transmission Owners”), the Power Authority of the State of New York (“NYPA”), a corporate municipal instrumentality of the State of New York, and LIPA (a subsidiary of the Long Island Power Authority, a corporate municipal instrumentality of the State of New York) (herein referred to collectively as the “Transmission Owners”) and the New York Independent System Operator (“ISO”), a not for profit corporation. The Transmission Owners and the ISO are herein referred to collectively as the Parties.~~

DRAFT, March 3, 2016

THIS OPERATING AGREEMENT (“Agreement”) is made and entered into this day of _____ 20____, by and between _____, a non-incumbent transmission owner organized and existing as a [corporate description] under the laws of the State/Commonwealth of _____ (“NTO”), and the New York Independent System Operator, Inc., a not-for-profit corporation organized and existing under the laws of the State of New York (“ISO”). The NTO and the ISO each may be referred to as a “Party” or collectively referred to as the “Parties.”

WITNESSETH:

~~WHEREAS, the Investor Owned Transmission Owners established the New York Power Pool (“NYPP”) by agreement made as of the 21st day of July, 1966, and NYPA subsequently joined NYPP on October 11, 1967, and LIPA joined the NYPP on May 28, 1998; and ISO is an independent system operator that is responsible under its Open Access Transmission Tariff (“ISO OATT”), its Market Administration and Control Area Services Tariff (“ISO Services Tariff”) (collectively, “ISO Tariffs”), and the ISO Related Agreements, filed with and accepted by the Federal Energy Regulatory Commission (“FERC”), for providing non-discriminatory, open access transmission service, maintaining reliability, performing system planning, and administering competitive wholesale markets for energy, capacity, and ancillary services in New York State;~~

~~WHEREAS, the Transmission Owners have created, invested in and operated the interconnected~~ NTO is the owner of certain transmission facilities ~~in New York State and each Investor Owned~~ specified herein that are integrated with the NYS Transmission Owner System and the NTO has fiduciary responsibilities to ~~its investors to~~ assure, among other things, the receipt of adequate revenues to maintain ~~the~~ its transmission facilities, a reasonable rate of return

on its transmission facilities, and to provide for recovery of the capital invested in its transmission facilities; ~~and~~

WHEREAS, the NTO has executed, along with this Agreement, the Independent System Operator Agreement (“ISO Agreement”) and has executed a Service Agreement(s) as a Transmission Owner for purposes of the ISO Tariffs;

~~WHEREAS, the ISO’s principal mission is to maintain the integrity and reliability of the interconnected~~ISO’s performance of its responsibilities under the ISO Tariffs and the ISO Related Agreements require it to exercise ISO Operational Control over certain of the NTO’s transmission facilities of the Transmission Owners, which will require the ISO to exercise Operational Control of the transmission facilities of the Transmission Owners, referred to as “classified as “NTO Transmission Facilities Under ISO Operational Control”;

~~,” and will further require the ISO, among other things, to function as the successor to NYPP with respect to certain NYS Power System operational activities heretofore conducted by NYPP; and~~WHEREAS, the NTO and ISO have agreed to enter into this Agreement for the purpose of the NTO authorizing the ISO to exercise, and the ISO assuming, ISO Operational Control over the NTO Transmission Facilities Under ISO Operational Control in accordance with the requirements set forth in this Agreement, the ISO Tariffs, and the ISO Related Agreements;

~~WHEREAS, the Investor Owned Transmission Owners have legal obligations to provide safe and reliable service to the public, including assuring suitable use of their individual transmission facilities to attain and maintain compliance with this obligation; and~~

~~WHEREAS, the Transmission Owners~~NTO will continue to own, physically operate, modify, and maintain the and be responsible for the physical operation, modification and

DRAFT, March 3, 2016

maintenance of its NTO Transmission Facilities Under ISO Operational Control, and the
Investor Owned Transmission Owners will continue to have fiduciary obligations to their
investors to protect their transmission facilities and to protect their investors from liability that
may result from the operation of those facilities; and

WHEREAS, the ISO OATT will provide for the payment by Transmission Customers
for Transmission Service at rates designed to enable the NTO to recover its revenue requirement
to the extent allowed, accepted, or approved by FERC;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth herein, the Parties do hereby agree with each other, for themselves and their successors and assigns, as follows:

ARTICLE 1.0: ~~ARTICLE 1.0:~~ DEFINITIONS

1.01 ~~1.01~~

The Capitalized terms that are not otherwise defined herein shall have the meaning set forth in the definitions contained in Article 1 of the Independent System Operator Agreement (“ISO Agreement”), as it existed on the date this Agreement is signed by the Parties. Those definitions contained in Article 1 of the ISO Agreement are hereby incorporated by reference in their entirety into this Agreement; *provided, however, that an NTO shall be a Transmission Owner for purposes of the ISO Tariffs and this Agreement notwithstanding the definition of Transmission Owner contained in the ISO Agreement related to the ownership of 100 circuit miles of transmission and becoming a signatory to the ISO/TO Agreement.* Modifications to such definitions underin the ISO Agreement shall apply to this Agreement, only if the Parties to this Agreement agree in writing pursuant to Section ~~6.146.13~~ below.

Formatted: Bullets and Numbering

ARTICLE 2.0: ~~ARTICLE 2.0: RESPONSIBILITIES OF THE TRANSMISSION OWNERS~~ NTO

Formatted: Bullets and Numbering

2.01 ~~2.01~~ Transmission Facilities

The ~~Transmission Owners have specified~~ NTO owns certain transmission facilities over which the ISO will have day-to-day operational control to maintain these facilities in a reliable state, as defined by the Reliability Rules and in accordance with the ISO Tariffs, ISO Related Agreements and ISO Procedures ("ISO Operational Control"). These NTO facilities shall be ~~collectively known as the~~ classified as "NTO Transmission Facilities Under ISO Operational Control," and are listed in Appendix A-1 of this Agreement. The ~~Transmission Owners~~ NTO also will be responsible for providing notification to the ISO with respect to actions related to certain other ~~specified~~ transmission facilities. These facilities shall be ~~collectively known as~~ classified as "NTO Transmission Facilities Requiring ISO Notification," and are listed in Appendix A-2 of this Agreement. Transmission facilities may be added to, or deleted from, the lists of facilities provided in Appendices A-1 and A-2 herein by mutual written agreement of the ISO and the ~~Transmission Owner~~ NTO owning and controlling such facilities. ~~A current version of such list~~ Currently listed facilities will be posted on the ISO's OASIS.

Formatted: Bullets and Numbering

2.02 ~~2.02~~ Transmission System Operation

~~Each Transmission Owner shall operate and maintain~~ The NTO shall be responsible for ensuring that all actions related to the operation, maintenance and modification of its facilities that are designated as NTO Transmission Facilities Under ISO Operational Control and NTO Transmission Facilities Requiring ISO Notification are performed in accordance with the terms of this Agreement ~~and in accordance with~~, all Reliability Rules and all other applicable operating instructions, ~~and~~ ISO Tariffs, ISO Procedures. ~~The Operating Committee of the ISO will promulgate procedures to provide for the assumption of authority by the Transmission Owners'~~

~~control centers to respond to an Emergency. These procedures shall provide for the coordination of such response with the ISO. The procedures will provide that, in situations where immediate action is required, the Transmission Owners' control centers will have the authority to take actions, including without limitation, the following: and any transmission interconnection agreement(s) for its facilities.~~

- ~~1. exercising control over facilities listed in Appendix A 1 of this Agreement and generating units;~~
- ~~2. starting quick start generation and the adjustment of generation;~~
- ~~3. re-energizing transmission facilities following breaker trips;~~
- ~~4. implementing emergency Load Shedding and voltage reduction measures and subsequent restoration;~~
- ~~5. voltage/VAR control during an Emergency;~~
- ~~6. changing ratings of transmission facilities; and~~
- ~~7. taking other measures consistent with Good Utility Practice that are required to respond to the Emergency.~~

~~Until the Operating Committee promulgates such procedures, the Transmission Owners will exercise the above responsibilities during an Emergency.~~

2.03 ~~2.03~~—Local Area Transmission System Facilities

Transmission system facilities not designated as NTO Transmission Facilities Under ISO Operational Control or as NTO Transmission Facilities Requiring ISO Notification shall be collectively known as "Local Area Transmission System Facilities." ~~Each Transmission Owner~~ The NTO shall have sole responsibility for the operation of its Local Area Transmission System Facilities, provided, however, that such operation ~~by each Transmission~~

Formatted: Bullets and Numbering

~~Owner~~ shall comply with all Reliability Rules, and shall not compromise the reliable and secure operation of the NYS Transmission System. ~~Each Transmission Owner~~ The NTO shall promptly comply to the extent practicable with a request from the ISO, or from the Transmission Owner(s) to which its facilities are interconnected (“Interconnecting Transmission Owner(s)” or “ITO(s)”), to take action with respect to coordination of the operation of its Local Area Transmission System Facilities.

2.04 ~~2.04~~ Safe Operations

Notwithstanding any other provision of this Agreement, ~~a Transmission Owner~~ an NTO may take, or cause to be taken, such action with respect to the operation of its facilities as it deems necessary to maintain Safe Operations. To ensure Safe Operations, ~~all Transmission Owner~~ the local operating rules of the ITO(s) shall govern the connection and disconnection of generation with NTO transmission facilities. Safe Operations include the application and enforcement of rules, procedures and protocols that are intended to ensure the safety of personnel operating or performing work or tests on transmission facilities.

2.05 ~~2.05~~ Local Control Center, Metering and Telemetry

~~Each Transmission Owner~~ The NTO shall operate, or arrange for ~~a suitable third party~~ its ITO(s) to operate, pursuant to all applicable ISO Tariffs and ISO Procedures and all applicable reliability standards, criteria and rules on a twenty-four (24) hour basis, a suitable local control center, ~~and shall install and maintain all other~~ center(s) with all equipment and facilities reasonably required for the ISO to exercise ISO Operational Control over NTO Transmission Facilities Under ISO Operational Control, and for the NTO to fulfill its responsibilities under this Agreement. Operation of the NYS Power System ~~will be~~ is a cooperative effort coordinated by the ISO control center in conjunction with ~~each Transmission Owner's~~ local control ~~center~~ centers

Formatted: Bullets and Numbering

Formatted: Bullets and Numbering

DRAFT, March 3, 2016

and will require the exchange of all reasonably necessary information. The ~~Transmissions-Owners' control centers must~~ NTO shall provide the ISO, or arrange for its ITO(s) to provide the ISO, with Supervisory Control and Data Acquisition ("SCADA") information on facilities listed in Appendices A-1 and A-2 herein as well as on ~~certain~~ generation and merchant transmission resources in their Transmission Districts interconnected to the NTO's transmission facilities pursuant to the ISO OATT.

~~Each Transmission Owner shall have the responsibility for providing metering data in its Transmission District to the ISO, unless other parties are authorized by the appropriate regulatory authority to provide metering data. Each Transmission Owner shall be responsible for collecting and making available to the ISO billing quality metering data and any other information for the Transmission District required by the ISO for billing purposes. The Parties agree that the metering and data acquisition systems currently in place will be acceptable for initial ISO operation. The Transmission Owner shall cooperate with the ISO in implementing reasonable metering enhancements and new metering installations that the ISO may deem necessary, provided that mechanisms satisfactory to each Transmission Owner are in place for their recovery of all associated costs. Each Transmission Owner shall continue to receive telemetry from existing Generators in its Transmission District and provide for the receipt of such information from new Generators. Automatic Generation Control ("AGC") will be implemented via each Transmission Owner's control center. Each Transmission Owner shall operate its control center to comply with current AGC procedures, as well as any revised or new AGC procedures reasonably adopted by the ISO. In addition, each Transmission Owner shall provide backup control services to the ISO in the event the ISO's computer systems malfunction. In such situations, Bid curves will be made available to the Transmission Owners' control~~

~~centers to facilitate the continued economic operation of the system. Each Transmission Owner will maintain a strict Code of Conduct to prevent such information from reaching any unauthorized person or entity.~~

The NTO shall provide, or arrange for its ITO(s) to provide, metering data for its transmission facilities to the ISO, unless other parties are authorized by the appropriate regulatory authority to provide metering data. The NTO shall collect and submit to the ISO, or arrange for its ITO(s) to collect and submit to the ISO, billing quality metering data and any other information for its transmission facilities required by the ISO for billing purposes. The NTO shall provide to the ISO, or arrange for its ITO(s) to provide to the ISO, the telemetry and other operating data from generation and merchant transmission resources interconnected to its transmission facilities that the ISO requires for the operation of the NYS Power System. The NTO will establish and maintain a strict code of conduct to prevent such information from reaching any unauthorized person or entity.

2.06 ~~2.06~~ — Security Constrained Unit Commitment Adjustments

~~A Transmission Owner~~The NTO shall coordinate with its ITO(s) regarding any request for commitment of additional Generators. Following coordination among the NTO and its ITO(s), the NTO, or the ITO(s) at the NTO's request, may request commitment of additional Generators (including specific output level(s)) if it determines that an additional Generator is neededto ensure local area reliability. The ISO will use Supplemental Resource Evaluation (“SRE”), pursuant to ISO Tariffs and ISO Procedures, to fulfill a ~~Transmission Owner's~~ request from the NTO or ITO(s), as appropriate, for additional units.

Formatted: Bullets and Numbering

2.07 ~~2.07~~ **Design, Maintenance and Rating Capabilities**

~~Each Transmission Owner~~The NTO shall comply with the provisions of this Agreement and all Reliability Rules, ISO Procedures, the local reliability rules and planning criteria of its ITO(s), and Good Utility Practice with respect to the design, maintenance and rating the capabilities of NYS Transmission System facilities.

Formatted: Bullets and Numbering

2.08 ~~2.08~~ **Maintenance Scheduling**

The ~~Transmission Owners~~NTO shall schedule maintenance of ~~their~~its facilities designated as NTO Transmission Facilities Under ISO Operational Control and schedule any outages (other than forced transmission outages) of said transmission system facilities in accordance with outage schedules approved by the ISO. The ~~Transmission Owners~~NTO shall comply with maintenance schedules coordinated by the ISO, pursuant to this Agreement, for NTO Transmission Facilities Under ISO Operational Control. ~~Each Transmission Owner~~The NTO shall be responsible for providing notification of maintenance schedules to the ISO and ITO(s) for NTO Transmission Facilities Requiring ISO Notification, and for providing notification of maintenance schedules to its ITO(s) for Local Area Transmission Facilities.

Formatted: Bullets and Numbering

2.09 ~~2.09~~ **NERC Registration**

The NTO shall register or enter into agreement with a NERC registered entity for all required NERC functions applicable to the NTO, that may include, without limitation, those functions designated by NERC to be: "Transmission Owner" and "Transmission Planner" and "Transmission Operator."

2.092.10 Investigations and Restoration

~~Each Transmission Owner~~The NTO shall promptly conduct investigations of equipment malfunctions and failures and forced transmission outages in a manner consistent with applicable FERC, PSC, NRC, NERC, NPCC and NYSRC rules, principles, guidelines, standards and requirements, ISO Procedures and Good Utility Practice. ~~Each Transmission Owner~~The NTO shall supply the results of such investigations to the NYSRC, the ISO, its ITO(s), and ~~the other~~ Transmission Owners. ~~Each Transmission Owner shall determine the level of resources to be applied to restore facilities to service following a failure, malfunction, or forced transmission outage.~~ Following a total or partial system interruption, restoration shall be coordinated between the ISO ~~and the Transmission Owners' control center and local~~ control centers. The ~~Transmission Owners' local~~ control centers shall have the authority, in coordination with the ISO, to restore the system and to re-establish service if doing so would minimize the period of service interruption. The NTO shall determine, or arrange for its ITO(s) to determine, the level of resources to be applied to restore facilities to service following a failure, malfunction, or forced transmission outage.

Formatted: Bullets and Numbering

2.102.11 2.10—Information and Support

The ~~Transmission Owners~~NTO shall obtain from the ISO, and the ISO shall provide to the ~~Transmission Owners~~NTO, the necessary information and support services to comply with their obligations under this Article.

Formatted: Bullets and Numbering

2.12 Performance of Obligations by Third Parties

The NTO may arrange for one or more third parties to perform its responsibilities under this Agreement; provided, however, that the NTO shall require each such third party to agree in writing to comply with all applicable terms and conditions of this Agreement; provided, further,

DRAFT, March 3, 2016

that in all cases the NTO shall be responsible for the acts and omissions of each such third party to the same extent as if such acts and omissions were made by the NTO or its employees, and such use of a third party shall not relieve the NTO of its responsibilities under this Agreement.

ARTICLE 3.0: ~~ARTICLE 3.0:~~ **RESPONSIBILITIES OF THE ISO**

Formatted: Bullets and Numbering

3.01 ~~3.01~~ **Operation and Coordination**

The ISO shall direct the operation of, and coordinate the maintenance scheduling of, certain facilities of the NYS Power System, including coordination with the control ~~centers~~center(s) maintained by or on behalf of the ~~Transmission Owners,~~NTO, in accordance with the Reliability Rules, as follows:

- ~~a.~~ a. ~~Assuming responsibility for~~Administering Control Area operations of the NYS Power System ~~previously performed by NYPP;~~
- ~~b.~~ b. ~~Performing~~ balancing of Generation and Load while ensuring the safe, reliable and efficient operation of the NYS Power System;
- ~~c.~~ e. ~~Exercising~~ ISO Operational Control over certain facilities of the NYS Power System under normal operating conditions and system Emergencies to maintain system reliability; and
- ~~d.~~ d. ~~Coordinating~~ the NYS Power System equipment outages and maintenance and maintaining the safety and short term reliability of the NYS Power System.

Formatted: Bullets and Numbering

3.02 ~~3.02~~ **Tariff Administration and Performance of Responsibilities Under ISO Related Agreements**

~~Subject to the provisions of Section 6.09, the~~The ISO shall (a) administer the ISO OATT, the ISO Services Tariff and the ISO Agreement in accordance with their provisions as they may be amended from time to time, and (b) shall comply with the provisions of this Agreement, the ~~ISO/TO Agreement, the~~ NYSRC Agreement and the ISO/NYSRC Agreement.

~~3.03~~ ~~Amendment of ISO Agreement and ISO Tariffs~~

~~Notwithstanding any other provision in this Agreement except for the provisions of Section 3.10, the ISO OATT, the ISO Services Tariff and the ISO Agreement may be modified~~

DRAFT, March 3, 2016

~~only as follows: any proposed amendment to the ISO OATT, the ISO Services Tariff or the ISO Agreement must be submitted to both the ISO Management Committee and the ISO Board; if both the ISO Board and the ISO Management Committee agree to the proposed amendment, the ISO shall file the proposed amendment with the Commission pursuant to Section 205 of the FPA; if the ISO Board and the ISO Management Committee do not agree on the proposed amendment, the proposed amendment may not be filed with the Commission pursuant to Section 205 of the FPA. Notwithstanding the foregoing, the ISO Board may submit to the Commission a proposed amendment to the ISO OATT, the ISO Services Tariff or the ISO Agreement under Section 205 of the FPA, without the concurrence of the Management Committee, under the following circumstances: the ISO Board certifies that (1) the proposed amendment is necessary to address exigent circumstances related to the reliability of the NYS Power System or to address exigent circumstances related to an ISO Administered Market; and (2) the urgency of the situation justifies a deviation from the normal ISO governance procedures. Any proposed amendment submitted unilaterally by the ISO shall contain an expiration date of no later than one hundred and twenty (120) days after it is filed with FERC and shall expire no later than one hundred twenty (120) days after it was filed with FERC, unless the Management Committee files with FERC a written concurrence with the proposed amendment within the one hundred and twenty (120) day period or FERC approves the proposed amendment under the just and reasonable standard under Section 206 of the Federal Power Act. The ISO Board shall have the authority to call a special meeting of the Management Committee to request its concurrence in a proposed amendment.~~

~~Nothing in this Section 3.03 shall be construed in any way as affecting the right of the ISO or any person to make a filing with the Commission pursuant to Section 206 of the Federal Power Act.~~

3.03 ~~3.04~~ **Granting of Authority**

The ISO responsibilities set forth in Article 3 of this Agreement, are granted by ~~each Transmission Owner~~ the NTO to the ISO only so long as each of the conditions set forth below is met and continues to be met throughout the term of this Agreement:

- ~~a.~~ a.—The ISO fully implements all Reliability Rules including, without limitation, using all reasonable efforts to require all Market Participants to maintain applicable levels of Installed Capacity and Operating Capacity, consistent with the ISO OATT, the ISO Services Tariff and all Reliability Rules;
- ~~b.~~ b.—The ISO has a FERC-accepted transmission tariff(s) and rate schedules which provide(s) for full recovery of the ~~following transmission revenue requirement of the NTO~~ to the extent allowed, accepted or approved by FERC:
~~the Annual Transmission Revenue Requirement of each of the Investor Owned Transmission Owners, NTAC, the annual transmission revenue requirement of LIPA, and any Stranded Investment Recovery Charge;~~
- ~~e.~~—~~The ISO does not materially and adversely affect the right of any Transmission Owner concerning transitional arrangements set forth in the ISO Tariffs, pertaining or relating to Existing Transmission Agreements which are in effect at the commencement of ISO operations;~~
- ~~d.~~—~~Con Edison, LIPA and NYPA have adequate assurance in the opinion of each such entity, that participation in the ISO will not jeopardize the tax exempt status~~

Formatted: Bullets and Numbering

Formatted: Bullets and Numbering

~~of their respective tax exempt bonds, the ability of such Investor Owned Transmission Owner to deduct interest payments, or the ability of the Transmission Owners to secure future tax exempt financing;~~

- ~~c. e.~~—The ISO does not act in violation of lawful PSC or FERC Orders;
- ~~f.~~—~~The ISO does not file a request under Section 205 of FPA to revise the provisions in the ISO Services Tariff related to indemnification and limitation of liability;~~
- ~~d. g.~~—The ISO does not have a financial interest in any commercial transaction involving the use of the NYS Power System or any other electrical system except to the limited extent required for the ISO to be the single counterparty to market transactions in accordance with the credit requirements for organized wholesale electric markets set forth in Commission Order Nos. 741 and 741-A as codified in 18 C.F.R. § 35.47 (2011) or successor provisions;;
- ~~h.~~—~~The ISO does not seek modification of any provision of the ISO OATT or the ISO Services Tariff so as to require, directly or indirectly, wheeling to end users except as authorized by the PSC or a retail access tariff approved by the Long Island Power Authority's Board of Trustees, or a sham wholesale transaction (as defined in FPA Section 212(h));~~
- ~~e. i.~~—The ISO distributes revenues from the collection of transmission charges to the ~~Transmission Owner~~NTO in a timely manner; and
- ~~f. j.~~—The ISO enforces and complies with the creditworthiness and collection standards of the ISO Procedures, the ISO OATT and the ISO Services Tariff.

Formatted: Bullets and Numbering

Formatted: Bullets and Numbering

Formatted: Bullets and Numbering

3.04 ~~3.05~~ **Collection and Billing**

The ISO shall facilitate and/or perform the billing and collection of revenues related to services provided by the ISO pursuant to the terms of the ISO OATT and the ISO Services Tariff.

~~3.06 — NYPA Annual Transmission Revenue Requirement~~

~~This Agreement is premised on NYPA recovering its full annual transmission revenue requirement. This is to be achieved through a mechanism known as the NTAC. NYPA will submit its annual revenue requirement for FERC approval. NYPA will be entitled to receive from the ISO the difference between its FERC approved revenue requirement and the sum of revenues it collects from contracts and from TSCs associated with its current transmission system. The ISO will credit any TCC revenues associated with NYPA's facilities and allocate the remainder on a kWh basis to all transmission Load the ISO serves. NYPA's recovery pursuant to NTAC is limited as described in Attachment H to the ISO OATT. This Agreement is further premised on each Investor Owned Transmission Owner being authorized to fully recover the NTAC charged to its transmission and retail customers and that any necessary regulatory approvals for such full recovery will be granted by the PSC and FERC.~~

3.05 ~~3.07~~ **Proposed Material Modifications to the NYS Power System**

~~The ISO shall establish procedures to evaluate the impact of any proposed material modifications to the NYS Power System. If the ISO or a Transmission Owner determines that a proposed modification will have a negative impact on system reliability or on total Interface transfer capability over an Interface or Interfaces, the ISO or the Transmission Owner may refer the issue for resolution pursuant to procedures comparable to those set forth in Article 5 of the~~

Formatted: Bullets and Numbering

~~ISO/NYSRC Agreement. However, the approval of the NYSRC or the ISO shall not be required to submit the issue to the PSC for resolution.~~

Pursuant to the requirements of applicable provisions of the ISO OATT, ISO Related Agreements and ISO Procedures, the ISO shall evaluate the impact of any proposed material modification to the NYS Power System. Any proposed material modification to the NTO's facilities must satisfy the requirements of applicable provisions of the ISO OATT, ISO Related Agreements and ISO Procedures. In the event of a dispute regarding the impact of the proposed modification, the ISO or the NTO may refer the issue for resolution pursuant to procedures set forth in Article 11 of the ISO Services Tariff, as such procedures may be amended from time to time.

3.06 ~~3.08~~ **OASIS:**

The ISO shall maintain the OASIS for the New York Control Area.

3.07 **NERC Registration**

If and to the extent any of the NTO's facilities are NERC jurisdictional facilities, the ISO will register for certain NERC functions applicable to those NTO facilities. Such functions may include, without limitation, those functions designated by NERC to be "Reliability Coordinator" and "Balancing Authority" and "Planning Coordinator."

~~3.09~~ **Transmission Owner Reimbursement and Assumption of Existing Obligations**

~~As soon as practicable, or no later than a date to be mutually agreed upon by the Parties, the ISO shall reimburse the Transmission Owners for all costs associated with the start-up and establishment of the ISO, to the extent that the ISO is authorized by FERC to recover such costs. Such costs shall include, but are not limited to, the costs associated with: the transfer of the current NYPP Control Center buildings and facilities to the ISO; and start-up and development~~

~~costs, including but not limited to software development and licensing costs, project development costs, and regulatory costs.~~

~~The ISO shall assume all existing contractual and other obligations of the NYPP. If the ISO decides to take action to terminate any such contract or obligation, or its assumption of existing obligations, it will bear any costs related thereto. The ISO shall utilize the current facilities and equipment of the NYPP and retain NYPP employees to the greatest extent practicable.~~

~~3.063.08~~ ~~3.10~~ ~~Transmission Owners~~**NTO's Reserved Rights**

Notwithstanding any other provision of this Agreement, ~~or any other agreement or amendment made in connection with the restructuring of the NYPP and establishment of the New York ISO, each Transmission Owner~~the NTO shall retain all of the rights set forth in this Section; provided, however, that such rights shall be exercised in a manner consistent with the ~~Transmission Owners'~~NTO's rights and obligations under the Federal Power Act and the Commission's rules and regulations thereunder. This Section is not intended to reduce or limit any other rights of ~~a Transmission Owner~~the NTO as a signatory to this Agreement or any of the ISO Related Agreements or under an ISO Tariff.

- ~~a.~~ ~~a.~~ ~~Each Transmission Owner~~The NTO shall have the right ~~at any time~~ ~~unilaterally to file~~ to make a filing with the Commission pursuant to Section 205 of the Federal Power Act to ~~change~~recover, in accordance with the requirements of Attachment Y to the ISO OATT, a Service Agreement under and/or applicable rate schedule of the ISO OATT, or the ISO Agreement to the extent necessary: (i) ~~to recover~~ all of its reasonably incurred costs, plus a reasonable return on investment related to ~~services under the ISO OATT and (ii) to accommodate~~

Formatted: Bullets and Numbering

Formatted: Bullets and Numbering

~~implementation of, and changes to, a Transmission Owner's retail access program~~
~~the development, construction, operation and maintenance of its~~
~~transmission facilities.~~

~~b.~~ b.—Nothing in this Agreement shall restrict any rights, to the extent such rights exist: (i) of ~~each Transmission Owner~~the NTO that is a party to a merger, acquisition or other restructuring transaction to make filings under Section 205 of the Federal Power Act with respect to the ~~reallocation or redistribution of revenues among such Transmission Owners or the~~ assignment of its rights or obligations, to the extent the ~~FPA~~Federal Power Act requires such filings; or (ii) of ~~any Transmission Owner~~the NTO to terminate its participation in the ~~New York~~New York ISO pursuant to Section 3.02 of the ISO Agreement or Article 6 of this Agreement, notwithstanding any effect its withdrawal from the ~~New York~~New York ISO may have on the distribution of transmission revenues among other Transmission Owners.

~~c.~~ e.—~~Each Transmission Owner~~The NTO retains all rights that it otherwise has incident to its ownership of its assets, including, without limitation, its transmission facilities including, without limitation, the right to build, acquire, sell, merge, dispose of, retire, use as security, or otherwise transfer or convey all or any part of its assets, including, without limitation, the right, ~~individually or collectively,~~ to amend or terminate the ~~Transmission Owner's~~NTO's relationship with the ISO in connection with the creation of an alternative arrangement for the ownership and/or operation of its transmission facilities on an unbundled basis

(e.g., a transmission company), subject to necessary regulatory approvals and to any approvals required under applicable provisions of this Agreement.

d. ~~d.~~—The obligation of ~~any Transmission Owner~~the NTO to expand or modify its transmission facilities in accordance with the ISO OATT shall be subject to the ~~Transmission Owner's~~NTO's right to recover, pursuant to appropriate financial arrangements contained in Commission-accepted tariffs or agreements, all reasonably incurred costs, plus a reasonable return on investment, associated with constructing and owning or financing such expansions or modifications to its facilities.

e. ~~e.~~—The responsibilities granted to the ISO under this Agreement shall not expand or diminish the responsibilities of ~~a Transmission Owner~~the NTO to modify or expand its transmission system, nor confer upon the ISO the authority to direct ~~a Transmission Owner~~the NTO to modify or expand its transmission system.

f. ~~f.~~—~~Each Transmission Owner~~The NTO shall have the right to adopt and implement procedures it deems necessary to protect its electric facilities from physical damage or to prevent injury or damage to persons or property.

g. ~~g.~~—~~Each Transmission Owner~~The NTO retains the right to take whatever actions it deems necessary to fulfill its obligations under local, state or federal law.

h. ~~h.~~—Nothing in this Agreement shall be construed as limiting in any way the rights of ~~a Transmission Owner~~the NTO to make any filing with the PSC.

~~i. Notwithstanding anything to the contrary in this Agreement, no amendment to any provision of this Section may be adopted without the agreement of the Transmission Owners.~~

~~3.073.09~~ ~~3.11~~ **Retention of Non-Transferred Obligations**

Any and all other rights and responsibilities of ~~a Transmission Owner~~ the NTO related to the ownership or operation of its transmission assets or to its rights to withdraw its assets from ISO control, that have not been specifically transferred to the ISO under this Agreement or otherwise addressed under this Agreement, will remain with the ~~Transmission Owners.~~ NTO.

~~3.12~~ **LIPA Scheduling Procedures**

~~All categories of Transmission Service into and out of the Long Island Transmission District shall require preapproval by LIPA to ensure compliance with Sections 2.5.1 and 2.5.5 of the ISO OATT. Customers seeking Transmission Service into and out of the Long Island Transmission District shall submit requests for service to the ISO pursuant to the terms of its Tariffs. LIPA shall promptly inform the ISO of those categories of Transmission Service that are pre-approved. If a Customer requests a category of Transmission Service that is not pre-approved, the ISO shall reject the schedule and advise the Customer that such Transmission Service must first be reviewed by LIPA and determined to be capable of being provided in a manner that is consistent with Sections 2.5.1 and 2.5.5 of the ISO OATT. If LIPA determines that the provision of Transmission Service requested by an Eligible Customer would jeopardize the tax exempt status of any Local Furnishing Bond(s) or LIPA Tax Exempt Bonds, LIPA shall promptly advise the ISO.~~

Formatted: Bullets and Numbering

ARTICLE 5.0: ARTICLE 5.0: LIMITATION OF LIABILITY AND INDEMNIFICATION

Formatted: Bullets and Numbering

5.01 5.01—Limitations of Liability

Except as otherwise provided under the ISO ~~OATT, the Transmission Owners Tariffs,~~ neither Party shall ~~not~~ be liable (whether based on contract, indemnification, warranty, tort, strict liability or otherwise) to the ~~ISO or other Party,~~ any Market Participant ~~or,~~ any third party or other party for any damages whatsoever, including without limitation, special, indirect, incidental, consequential, punitive, exemplary or direct damages resulting from any act or omission ~~in any way associated with~~ under this Agreement, except to the extent the ~~Transmission Owner Party~~ is found liable for gross negligence or intentional misconduct, in which case the ~~Transmission Owner Party~~ shall not be liable for any special, indirect, incidental, consequential, punitive or exemplary damages. Nothing in this Section will excuse ~~a Transmission Owner an~~ NTO from an obligation to pay for services provided to the ~~Transmission Owner~~ NTO by the ISO or to pay any deficiency payments, penalties, or sanctions imposed by the ISO under the ISO OATT or the ISO Services Tariff.

~~5.02—Additional Limitations of Liability~~

~~Except as otherwise provided under the ISO OATT, a Transmission Owner shall not be liable for any indirect, consequential, exemplary, special, incidental or punitive damages including, without limitation, lost revenues or profits, the cost of replacement power or the cost of capital, even if such damages are foreseeable or the damaged party has been advised of the possibility of such damages and regardless of whether any such damages are deemed to result from the failure or inadequacy of any exclusive or other remedy.~~

5.02 ~~5.03~~ **Indemnification**

~~The~~Except as otherwise provided under the ISO Tariffs, each Party shall at all times indemnify, save harmless and defend the ~~Transmission Owners~~other Party, including their directors, officers, employees, trustees, and agents, or each of them, from and against all claims, demands, losses, liabilities, judgments, damages (including, without limitation, any consequential, incidental, direct, special, indirect, exemplary or punitive damages and economic costs), and related costs and expenses (including, without limitation, reasonable attorney and expert fees, and disbursements incurred by the ~~Transmission Owners~~Party in any actions or proceedings between ~~one or more Transmission Owners and one or more Transmission Owners and a third party,~~the Party and a Market Participant, ~~the ISO,~~ or any other third party) arising out of or related to the ~~Transmission Owner's~~ISO's or the ~~ISO's~~NTO's acts or omissions related in any way to the ~~Transmission Owner's~~NTO's ownership or operation of its transmission facilities when such acts or omissions are either (1) pursuant to or consistent with ISO Procedures or direction; or (2) in any way related to the ~~Transmission Owner's~~NTO's or the ISO's performance under the ISO OATT, ~~except to the extent that the Transmission Owner(s) is found liable for negligence or intentional misconduct, and under~~ the ISO Services Tariff, the ISO Agreement, the ISO/NYSRC Agreement, NYSRC Agreement, or this Agreement, ~~except; provided, however,~~ that the NTO shall not have any indemnification obligation under this Section 5.02 with respect to any loss to the extent the ~~Transmission Owner(s) is found liable for~~loss results from the gross negligence or intentional misconduct- of the ISO; provided, further, that the ISO shall not have any indemnification obligation under this Section 5.02 with respect to any loss except to the extent the loss results from the gross negligence or intentional misconduct of the ISO.

Formatted: Bullets and Numbering

5.03 ~~5.04~~ **Force Majeure**

~~A~~Each Party shall not be considered to be in default or breach under this Agreement, and shall be excused from performance or liability for damages to any other party, if and to the extent it shall be delayed in or prevented from performing or carrying out any of the provisions of this Agreement, except the obligation to pay any amount when due, arising out of or from any act, omission, or circumstance occasioned by or in consequence of any act of God, labor disturbance, failure of contractors or suppliers of materials, act of the public enemy, war, invasion, insurrection, riot, fire, storm, flood, ice, explosion, breakage or accident to machinery or equipment or by any other cause or causes beyond such Party's reasonable control, including any curtailment, order, regulation, or restriction imposed by governmental,

military or lawfully established civilian authorities, or by the making of repairs necessitated by an emergency circumstance not limited to those listed above upon the property or equipment of the ISO or any party to the ISO Agreement. Nothing contained in this Article shall relieve any entity of the obligations to make payments when due hereunder or pursuant to a Service Agreement. Any party claiming a force majeure event shall use reasonable diligence to remove the condition that prevents performance, except the settlement of any labor disturbance shall be in the sole judgment of the affected party.

5.04 ~~5.05~~ **Claims by Employees and Insurance**

~~A~~Each Party shall be solely responsible for and shall bear all of the costs of claims by its own employees, contractors, or agents arising under and covered by, any workers' compensation law. ~~A~~Each Party shall furnish, at its sole expense, such insurance coverage and such evidence thereof, or evidence of self-insurance, as is reasonably necessary to meet its obligations under this Agreement. ~~Additionally, the ISO will procure insurance or other alternative risk financing~~

Formatted: Bullets and Numbering

Formatted: Bullets and Numbering

~~arrangements sufficient to cover the risks associated with the ISO carrying out its obligations, including the obligation to indemnify the Transmission Owners. The ISO shall provide the Transmission Owners with the details of such insurance and shall have them named as additional insureds to the extent of their insurable interests.~~

5.05 ~~5.06~~ **Survival**

The provisions of this Article, "Limitations of Liability and Indemnification" shall survive the termination or expiration of this Agreement or the ISO Tariffs.

Formatted: Bullets and Numbering

ARTICLE 6.0: ~~ARTICLE 6.0:~~ **OTHER PROVISIONS**

Formatted: Bullets and Numbering

6.01 ~~6.01~~ **Term and Termination for Cause**

This Agreement shall become effective upon the execution of this Agreement by the ~~Transmission Owners~~ NTO and the ISO and on the ~~latest of: (i) the date(s) FERC accepts for filing, without condition or material modification: (a) this Agreement; (b) the ISO Tariffs; (c) the ISO Agreement; (d) the NYSRC Agreement; and (e) the ISO/NYSRC Agreement ("ISO Tariffs" and "ISO Related Agreements"); (ii) later of: (i) the date on which FERC, the PSC and any other regulatory agency having jurisdiction grant all necessary approvals needed to place the NTO's facilities in service, including, without limitation, any approvals required under Section 70 of the Public Service Law and Section 203 of the FPA; (iii) September 1, 1999; or (iv) j) on such later date specified by FERC. Without waiving or limiting any of its other rights under this Article, if a Transmission Owner the NTO determines that any of the conditions set forth in Section ~~3.043.03~~ hereof is not being met or ceases to be in full force and effect ~~that Transmission Owner may withdraw from~~ the NTO may terminate this Agreement, ~~withdraw from~~ the ISO Agreement and the ISO Tariffs, and withdraw its assets from the ISO's control and administration on ninety (90) days prior written notice to ~~all Parties to this Agreement and FERC~~ the ISO and FERC, ~~subject to the NTO obtaining all regulatory approvals for such termination and withdrawal, and having on file with FERC its own open access transmission tariff.~~ Such notice shall identify the condition or conditions set forth in Section ~~3.043.03~~ that have not been met or no longer are in full force and effect; provided, however, that prior to the filing of such notice, the ISO shall be advised of the specific condition or conditions that are no longer in full force and effect, and the ISO shall have the opportunity to restore the effectiveness of the condition or conditions identified within a thirty (30) day period. If the effectiveness of the condition or conditions is~~

not restored within thirty (30) days, the ~~Transmission Owner~~NTO may file a notice of ~~withdrawal~~termination with the ISO and FERC; provided, however, that if the ISO demonstrates that it has made a good faith effort but has been unable to restore the effectiveness of the condition or conditions within the thirty (30) day period, the ISO shall be provided an additional thirty (30) day period to restore the effectiveness of the condition or conditions and the ~~Transmission Owner~~NTO may not file the notice of ~~withdrawal~~termination until the expiration of the second thirty (30) day period. ~~Withdrawal of a Transmission Owner~~The NTO's ~~termination of this Agreement~~ under this Section shall be effective ninety (90) days after the filing of the notice of ~~withdrawal~~termination unless FERC finds that such ~~withdrawal of an Investor Owned Transmission Owner~~termination of the NTO is contrary to the public interest, as that standard has been judicially construed under the Mobile-Sierra doctrine. However, the ~~Transmission Owner who submitted the notice of withdrawal~~NTO may withdraw the notice or extend the ~~withdrawal~~termination date. Nothing in this section shall be construed as a voluntary undertaking by ~~any Transmission Owner~~the NTO to remain a Party to this Agreement after the expiration of its notice of ~~withdrawal~~termination.

6.02 Termination by Election

~~In addition to the foregoing provision, after the fifth anniversary of the effective date of this Agreement, this Agreement may be terminated by a unanimous vote of the Transmission Owners or their successors or assignees. If the Transmission Owners vote to terminate this Agreement, they will file with FERC and the PSC an explanation of their action and a proposal for an alternative plan for the safe, reliable and efficient operation of the NYS Transmission System.~~

~~6.02—Withdrawal~~

~~Any Transmission Owner may withdraw from~~The NTO may terminate this Agreement, ~~withdraw from~~ the ISO Agreement and the ISO Tariffs, and withdraw its assets from the ISO control and administration upon ninety (90) days written notice to the ISO Board and FERC. ~~In the case of an Investor Owned Transmission Owner, no further approval by FERC shall be required for such withdrawal from this Agreement, if such Investor Owned Transmission Owner has, subject to the NTO obtaining all regulatory approvals for such termination and withdrawal, and having~~ on file with FERC its own open access transmission tariff ~~and such.~~ Such withdrawal shall be effective unless FERC finds that such withdrawal is contrary to the public interest, as that standard has been judicially construed under the Mobile-Sierra doctrine. Any modification to this Article shall provide ~~any Party~~the NTO with the right to ~~withdraw from the~~terminate this Agreement pursuant to the unmodified provisions of this Article, within ninety (90) days of the effective date of such modification. ~~Notwithstanding any other provision of Article 6, in the event that the tax exempt financing of a Party is jeopardized by its participation in the ISO, the Party may withdraw from this Agreement, the ISO Agreement and the ISO Tariffs and withdraw any assets from ISO control and administration upon thirty (30) days prior written notice to the ISO Board,~~ subject to the NTO obtaining all regulatory approvals for such termination, and having on file with FERC its own open access transmission tariff.

~~6.026.03~~ 6.03 — **Obligations after Termination or Withdrawal**

- a. ~~a.~~ Following termination ~~or withdrawal from the~~of this Agreement, a ~~Party~~the NTO shall remain liable for all obligations arising hereunder prior to the effective date of termination ~~or withdrawal~~, including all obligations accrued prior to the effective date, imposed on the ~~Party~~NTO by this Agreement or the ISO Tariffs or other ISO Related Agreements.

Formatted: Bullets and Numbering

b. b.—Termination ~~or the withdrawal from~~ of this Agreement shall not relieve ~~a-~~
Party the NTO of any continuing obligation it may have under the ISO Tariffs and
ISO Related Agreements, unless the Party NTO also withdraws from the ISO
Tariffs or ISO Related Agreements.

c. Termination of this Agreement and withdrawal from the ISO Tariffs and ISO
Related Agreements shall not relieve the NTO of its responsibility for the
operation, maintenance, and modification of its transmission facilities in
accordance with its own open access transmission tariff, all Reliability Rules and
all other requirements applicable to transmission facilities in the NYCA.

~~6.036.04~~ 6.04 —Winding Up

Any provision of this Agreement that expressly or by implication comes into or remains
in force following the termination ~~or withdrawal from~~ of this Agreement shall survive such
termination ~~or withdrawal~~. The surviving provisions shall include, but shall not be limited to: (i)
those provisions necessary to permit the orderly conclusion, or continuation pursuant to another
agreement, of transactions entered into prior to the termination of ~~or withdrawal from~~ this
Agreement, (ii) those provisions necessary to conduct final billing, collection, and accounting
with respect to all matters arising hereunder, and (iii) the indemnification and limitation of
liability provisions as applicable to periods prior to such termination ~~or withdrawal~~. The ISO
and the terminating ~~or withdrawing Party or Parties~~ NTO shall have an obligation to make a good
faith effort to agree upon a mutually satisfactory termination ~~or withdrawal~~ plan. Such plan shall
have among its objectives an orderly termination ~~or withdrawal~~. The plan shall address, to the
extent necessary, the allocation of any costs directly related to the termination ~~or withdrawal by-~~
the Party or Parties terminating or withdrawing from the Agreement by the NTO.

Formatted: Bullets and Numbering

6.046.05 ~~6.05~~ **Confidentiality**

Formatted: Bullets and Numbering

A. Party Access. Each Party shall supply information to the other Party as required by this Agreement. Information shall be treated as Confidential Information under this Agreement if (i) it has been clearly marked or otherwise designated as “Confidential information” by the Party supplying the information, or (ii) it is information designated as Confidential Information by applicable provisions of the ISO Tariffs; *provided, however, Confidential Information does not include information: (i) in the public domain or that has been previously publicly disclosed without violation of this Agreement, (ii) required by law to be publicly submitted or disclosed (with notice to the other Party), or (iii) necessary to be divulged in an action to enforce this Agreement.*

~~A. Party Access. No Transmission Owner shall~~ Notwithstanding anything in this Section to the contrary, the NTO shall not have a right hereunder to receive or review any documents, data, or other information of another ~~Transmission Owner~~ Market Participant or the ISO ~~supplied pursuant to this Agreement~~, including documents, data, or other information provided to the ISO, to the extent such documents, data, or information have been designated as confidential pursuant to the procedures specified in the ISO Tariffs or to the extent that they have been designated as confidential by such other ~~Party~~ Market Participant; *provided, however, that a Party* ~~the NTO~~ may receive and review any composite documents, data, and other information that may be developed based on such confidential documents, data, or information if the composite does not disclose any individual ~~Party's~~ Market Participant's confidential data or information.

Formatted: Bullets and Numbering

~~A.B. B.~~ Required Disclosure. Notwithstanding anything in this Section to the contrary, if a Party ~~The ISO shall treat any Confidential Information it receives from the NTO in accordance~~

DRAFT, March 3, 2016

with applicable provisions of the ISO Tariffs. If the NTO receives Confidential Information from the ISO, it shall hold such information in confidence, employing at least the same standard of care to protect the Confidential Information obtained from the ISO as it employs to protect its own Confidential Information. Each Party shall not disclose the other Party's Confidential Information to any third party or to the public without prior written authorization of the Party providing the information; provided, however, if the ISO is required by applicable law, or in the course of administrative or judicial proceedings, or subpoena, to disclose information that is otherwise required to be maintained in confidence pursuant to this Section, ~~that Party~~the ISO will do so in accordance with applicable provisions of the ISO Tariffs. And if the NTO is required by applicable law, or in the course of administrative or judicial proceedings, or subpoena, to disclose information that is otherwise required to be maintained in confidence pursuant to this Section, the NTO may make disclosure of such information; provided, however, that as soon as the ~~Party~~NTO learns of the disclosure requirement and prior to making such disclosure, ~~that Party~~the NTO shall notify the ~~affected Party or Parties~~ISO of the requirement and the terms thereof and the ~~affected Party or Parties~~ISO may, at ~~their~~its sole discretion and cost, assert any challenge to or defense against the disclosure requirement and the ~~Party~~NTO shall cooperate with ~~such affected Parties~~the ISO to the maximum extent practicable to minimize the disclosure of the information consistent with applicable law. Each Party shall cooperate with the ~~affected Parties~~Other Party to obtain proprietary or confidential treatment of such information by the person to whom such information is disclosed prior to any such disclosure.

~~6.05~~6.06 ~~6.06~~—Governing Law; Jurisdiction

The interpretation and performance of this Agreement shall be in accordance with and shall be controlled by the laws of the State of New York as though this Agreement is made and

performed entirely in New York. With respect to any claim or controversy arising from this Agreement or performance hereunder within the subject matter jurisdiction of the Federal or State courts of the State of New York, the Parties consent to the exclusive jurisdiction and venue of said courts.

~~6.06~~6.07 ~~6.07~~ **Headings**

The section headings herein are for convenience and reference only and in no way define or limit the scope of this Agreement or in any way affect its provisions. Whenever the terms hereto, hereunder, herein or hereof are used in this Agreement, they shall be construed as referring to this entire Agreement, rather than to any individual section, subsection or sentence.

Formatted: Bullets and Numbering

~~6.07~~6.08 ~~6.08~~ **Mutual Agreement**

Nothing in this Agreement is intended to limit the Parties' ability to mutually agree upon taking a course of action different than that provided for herein; provided that doing so will not adversely affect any other Parties' rights under this Agreement.

Formatted: Bullets and Numbering

~~6.08~~6.09 ~~6.09~~ **Contract Supremacy**

In the case of a conflict between the express terms of this Agreement and the terms of the ISO Agreement, the express terms of this Agreement shall prevail. ~~In the case of a conflict between the express terms of this Agreement and the terms of the ISO NYSRC Agreement, the express terms of this Agreement shall prevail. In the case of a conflict between the express terms of this Agreement and the express terms of an ISO Tariff the terms of this Agreement shall prevail.~~

Formatted: Bullets and Numbering

~~6.09~~6.10 ~~6.10~~ — **Additional Remedies**

The Parties agree that remedies at law will be inadequate to protect ~~the~~their respective interests ~~of the Transmission Owners~~ and that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed by the ~~ISO~~responsible Party in accordance with their specific terms or were otherwise breached. Accordingly, it is agreed that ~~the Transmission Owners, or any Transmission Owner, individually or in conjunction with one or more other Transmission Owners,~~each Party shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or an ISO Tariff by the ~~ISO~~other Party, and specific performance to enforce specifically the terms and provisions thereof in any court of the United States or any state having jurisdiction, this being in addition to any other remedy to which ~~the Transmission Owners are~~each Party is entitled at law or in equity.

Formatted: Bullets and Numbering

~~6.10~~6.11 ~~6.11~~ — **No Third Party Rights**

Nothing in this Agreement, express or implied, is intended to confer on any person, other than the Parties hereto, any rights or remedies under or by reason of this Agreement.

Formatted: Bullets and Numbering

~~6.11~~6.12 ~~6.12~~ — **Not Partners**

Nothing contained in this Agreement shall be construed to make the Parties partners or joint venturers or to render ~~any~~either Party liable for the debts or obligations of ~~any~~the other Party.

Formatted: Bullets and Numbering

~~6.12~~6.13 ~~6.13~~ — **Waiver**

Any waiver at any time of the rights of ~~any~~either Party as to any default or failure to require strict adherence to any of the terms herein, on the part of ~~any~~the other Party ~~or Parties~~ to

Formatted: Bullets and Numbering

this Agreement or as to any other matters arising hereunder shall not be deemed a waiver as to any default or other matter subsequently occurring.

~~6.13~~6.14 ~~6.14~~—**Modification**

This Agreement is subject to change under ~~Sections~~Section 205 of the ~~FPA~~Federal Power Act, as that section may be amended or superseded, upon the mutual written agreement of the Parties. Absent mutual agreement of the Parties, it is the intent of this Section ~~6.14~~6.13 that, to the maximum extent permitted by law, the terms and conditions set forth in Sections 2.01, 3.03, ~~3.04~~3.08, 3.09, ~~3.10, 3.11~~, 4.01, 4.02, 5.01, 5.02, 5.03, 5.04, 5.05, ~~5.06~~, 6.01, 6.02, 6.09 and 6.14 of this Agreement shall not be subject to change, regardless of whether such change is sought (a) by the Commission acting sua sponte on behalf of either Party or third party, (b) by a Party, (c) by a third party, or (d) in any other manner; subject only to an express finding by ~~FERC~~the Commission that such change is required under the public interest standard under the Mobile-Sierra doctrine. Any other provision of this Agreement may be changed pursuant to a filing with FERC under Section 206 of the ~~FPA~~Federal Power Act and a finding by ~~FERC~~the Commission that such change is just and reasonable.

~~6.15~~—~~Good Faith Resolution.~~

~~If cost shifting occurs as a result of FERC's decision in Central Hudson Gas & Electric Corporation, Docket Nos. ER97-1523-011, OA97-470-010, and ER97-4234-008, the ISO and the Transmission Owners will work together in good faith to achieve a fair and equitable resolution.~~

~~6.14~~6.15 ~~6.16~~—**Counterparts.**

This Agreement may be executed in ~~any number of~~ counterparts, ~~none~~neither one of which needs to be executed by ~~all of the~~both Parties, and this Agreement shall be binding upon ~~all~~
