

## ***Management Committee***

June 12, 2012 Meeting

Motion - Agenda 5

---

### Motion:

**Whereas**, FERC has accepted for filing, subject to refund, revisions to the Midwest Independent Transmission System Operator, Inc.'s (MISOs) tariffs authorizing MISO to charge the NYISO "on behalf of its customers" for the cost of International Transmission Company's (ITC's) Bunce Creek PARs, located at the Michigan/Ontario border;

**Whereas**, FERC has declared that any charges properly billed pursuant to the Commission-accepted MISO Tariff provisions must be paid by the NYISO in accordance with the provisions of MISO's Tariff;

**Whereas**, the NYISO has presented proposed revisions to Section 6.1.6 of Rate Schedule 1 to its Open Access Transmission Tariff (OATT) to permit the NYISO to recover MISO PAR charges from the NYISO's customers;

**Whereas**, the BIC has recommended that the NYISO's Board of Directors (Board) take official notice that the NYISO's stakeholders disagree with FERC's decision to require NYISO to pay for the ITC PARs, even on an interim basis, subject to refund;

**Whereas**, the BIC has recommended that the Board issue a statement that the interim tariff revisions are being submitted under protest, and do not support either the merits of ITC's

claim for compensation, or ITC's proposed cost recovery mechanism;

**Whereas**, the BIC supported the NYISO's proposed allocation of MISO's ITC PAR charges on a temporary basis, until FERC issues a final order on the merits of the ITC/MISO cost allocation proposal;

and

**Whereas**, the BIC recommended that if FERC ultimately determines that NYISO customers must pay for a portion of the cost of ITC's PARs, then NYISO should convene a stakeholder process to develop a more permanent cost recovery mechanism;

**Now, therefore**, the Management Committee (MC) hereby recommends that the Board authorize the submission of revisions to Section 6.1.6 of Rate Schedule 1 to the NYISO's OATT to permit the NYISO to recover and/or refund charges/payments it receives from the MISO related to ITC's Bunce Creek phase angle regulators on a temporary basis, until FERC issues a final order on the merits of the ITC/MISO cost allocation proposal.

If and to the extent FERC ultimately orders refunds, the refunds will be issued consistent with the NYISO's proposed revisions to Section 6.1.6 of Rate Schedule 1 to the NYISO's OATT.

Should FERC issue a final order determining that the NYISO's customers are and will be required to pay for a portion of the cost of ITC's PARs, then the Board should require the NYISO to initiate a stakeholder process to consider the development of a more permanent mechanism

to recover MISO charges for the cost of the ITC PARs from the NYISO's customers.
