Reference: Large Generator Interconnection Agreement with Noble Clinton
Windpark I, LLC

Dear Ladies and Gentlemen:

Pursuant to the authority delegated to the Director, Division of Tariffs and Market Development – East, under 18 C.F.R. § 375.307, New York Independent System Operator, Inc.'s (NYISO) and New York Power Authority's (NYPA) (collectively, Filing Parties) submittal is accepted for filing effective April 2, 2008, as requested.

On April 23, 2008, you filed on behalf of the Filing Parties a non-conforming executed Large Generator Interconnection Agreement (LGIA) between NYISO, NYPA and Noble Clinton Windpark I, LLC (Noble Clinton).¹ The LGIA provides for the interconnection of Noble Clinton's 100.5 MW wind generating facility to NYPA's

¹ New York Independent System Operator, Inc., FERC Electric Tariff, Original Volume No. 1, Original Service Agreement No. 1311.

transmission system. The LGIA is contingent on the facility complying with the Transition Period Low Voltage Ride-Through standard described in *pro forma* Appendix G of the *pro forma* LGIA. The LGIA also contains non-conforming provisions to recognize NYPA's unique legal status as a power authority governed under New York's Power Authority Act and other circumstances specific to the Noble Clinton project.

Notice of the filing was published in the Federal Register with comments, protests or interventions due on or before May 14, 2008. Noble Clinton filed a motion to intervene and comments in support of the filing. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2007)), the filing of a timely motion to intervene makes the movant a party to the proceeding, if no answer in opposition is filed within fifteen days. The filing of a timely notice of intervention makes a State Commission a party to the proceeding.

This acceptance for filing shall not be construed as constituting approval of the reference filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or order which have been or any which may hereafter be made by the Commission in any proceeding now pending on hereafter instituted by or against Filing Parties.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Larry D. Gasteiger, Director
Division of Tariffs and Market
Development – East
