

2005 CRPP Solutions Phase

Progress Since Board Approval of RNA

William Lamanna
March 14, 2006

Draft – for discussion purposes only

NYISO CRPP Process

Regulated Backstop Solutions

- ◆ Request Made to Responsible Transmission Owners
- ◆ Received Many Types Of Solutions and TO Plans
 - DSM Projects in NYC and Long Island
 - Capacity Projects in RFP Awards
 - Transmission Projects
- ◆ NYISO Evaluation Indicated Reliability Needs Not Satisfied at This Time
- ◆ Therefore NYISO Will Request Responsible TOs To Submit More Regulated Backstop Solutions
- ◆ NYISO Working Directly With TOs to Identify More Solutions Targeting Areas of Need

Market Based Solutions

- ◆ Request Made to all Market Participants
- ◆ Received Many Types Of Solutions
 - Capacity Projects in NYC and Long Island
 - Transmission Project in Upstate New York
- ◆ NYISO Viability Screen Identified areas of concern with the Transmission Project
- ◆ NYISO Evaluation Indicated Reliability Needs Not Satisfied at This Time
- ◆ NYISO Requested Alternative Regulated Backstop Solutions – due April 17th
- ◆ Process is Ongoing at this Time
