

**NOTICE FROM CENTRAL HUDSON GAS & ELECTRIC CORPORATION**

**AND MULTIPLE INTERVENORS**

**TO THE MANAGEMENT COMMITTEE**

Central Hudson Gas & Electric Corporation (Central Hudson), a combination electric and gas utility in New York and a member of the NYISO Transmission Owners Sector and Multiple Intervenors (MI), an unincorporated association of approximately 55 large commercial and industrial energy consumers with manufacturing and other facilities located throughout New York State, which is a member of the NYISO End-Use Consumer Sector, hereby request that the matter of on-ramps/off-ramps be added to the agenda for the February 28, 2018 Management Committee meeting. The presentation from the February 14, 2018 Business Issues Committee meeting should be sufficient for purposes of presenting the proposal.

We also request that the following motion, which recommends approval of tariff revisions “to establish a method for eliminating Localities and revise the existing rules to create a new Locality” as described in the on ramps/off ramps presentation be considered by the Management Committee:

**Management Committee Meeting  
February 28, 2018  
Agenda [ ]**

**Motion**

The Management Committee (MC) hereby approves, and recommends to the NYISO Board of Directors for filing under Section 205 of the Federal Power Act, revisions to Market Administration and Control Area Services Tariff and the Open Access Transmission Tariff to establish a method for eliminating Localities and to revise the existing rules to create a new Locality, as provided in the materials for the February 28, 2018 MC meeting and described in on ramps/off ramps presentation.

We are asking that the material presented at the Business Issues Committee on February 14, 2018 be presented at the Management Committee meeting, and do not believe any additional material needs to be presented. We would also request that Zach T. Smith of the NYISO present the material as he did at

the Business Issues Committee meeting. We also request that Zach Smith be present at the meeting during the presentation to respond to potential questions on the proposal.

Thank you for your consideration of this request.

Respectfully submitted,
