

Business Issues Committee

January 19, 2005 Meeting

Motion - Agenda #08

Motion:

The BIC recommends that the Management Committee approve changes to the tariff to provide for the following, as is more completely described in the presentation made at the January 19, 2005 BIC:

- Eliminate special balancing rules for CLR units and require they balance at RT rather than DA prices;
- Clarify that dual UOLs are available to ELR and CLR units;
- Substitute the Day-Ahead Margin Protection Payment, currently available to ELR units that must revise their DA schedule, with the Day-Ahead Margin Assurance Payment otherwise payable under SMD2;
- Clarify the definition of ELR units and require that they justify their status to the ISO.
