

# CECONY's Local Transmission Plan (LTP)

TPAS/ESPWG Update  
November 2, 2020

# CECONY's Local Transmission Plan (LTP)

- CECONY is retracting its 10/23/2020 proposal to update the database utilized in the NYISO Short-Term Assessment of Reliability (2020 Quarter 3)
- Therefore, the database remains as used in the 2020 RNA, Q3 STAR, and 2021/22 IRM/LCR Studies

CECONY's 345 kV Series Reactors	Historical Operating Protocol	Assumed Operating Protocol in NYISO Studies	<del>LTP Update Operating Protocol</del>
41	By-passed	In-Service	<del>By-passed</del>
42	By-passed	In-Service	<del>By-passed</del>
Y49	By-passed	In-Service	<del>By-passed</del>
M51	In-Service	By-passed	<del>In-Service</del>
M52	In-Service	By-passed	<del>In-Service</del>
71	In-Service	By-passed	<del>In-Service</del>
72	In-Service	By-passed	<del>In-Service</del>

Thank you!
