

Business Issues Committee Meeting

November 11, 2020

Agenda #10

Motion:

The Business Issues Committee (“BIC”) hereby approves the market design to establish the capability to reserve a portion of otherwise available transmission capacity for release to support the sale of Transmission Congestion Contracts in Reconfiguration Auctions, as more fully described in the presentation titled “Reserving Capacity for TCC Balance-of-Period Auctions” made to the BIC on November 11, 2020.
