

# MSE Registration Packet

---

Michelle McLaughlin

SENIOR SETTLEMENTS ANALYST

**BACWG**

December 17, 2020

# Revisions

- Addition of Demand Reduction Provider and DSASP Provider as parties eligible to utilize MSEs
- Clarification of utilizing [MSA@nyiso.com](mailto:MSA@nyiso.com) for significant or material changes to MSE registration requirement information
- Identification of requirements requiring signature
- Addition of supporting documentation labels specific to the requirement number for which they are being submitted
- 2.2.3.3 - Revision of insurance coverage to add NYISO as the named certificate holder
- 2.2.6.1 – Replacement of Technical Bulletin No. 247 with Meter Services Entity Manual
- 3.2.2 – Expansion of requirement to include description of meter testing facility
- 3.3.1.6.1 – Inclusion of meter data plan requirement

# Schedule

- December 17, 2020 – BACWG

# Our mission, in collaboration with our stakeholders, is to serve the public interest and provide benefit to consumers by:

- Maintaining and enhancing regional reliability
- Operating open, fair and competitive wholesale electricity markets
- Planning the power system for the future
- Providing factual information to policymakers, stakeholders and investors in the power system

# Questions?
