

Revenue Metering Requirements Manual (RM²) Revision

Michelle McLaughlin

Metering & Settlement Analyst Program Lead

Billing, Accounting and Credit Working Group Teleconference

November 19, 2021, Teleconference

Background

Background

- **The NYISO filed tariff revisions on September 13, 2021 to modify the types of entities eligible to provide metering and/or meter data services.**
 - The updated revisions explicitly allow municipal electric utilities to provide metering and/or meter data services for Demand Side Resources.
 - On November 10, 2021 the FERC issued an Order accepting the tariff changes, effective November 13, 2021, as requested.

Summary of Changes – Revenue Metering Requirements Manual (RM²) (Manual 25)

- Section 1.2 - Expansion of the terminology/definition for Meter Authority to include municipal electric utilities.

Schedule

- **November 19, 2021 – BACWG**
- **December 15, 2021 – BIC**

Our mission, in collaboration with our stakeholders, is to serve the public interest and provide benefit to consumers by:

- Maintaining and enhancing regional reliability
- Operating open, fair and competitive wholesale electricity markets
- Planning the power system for the future
- Providing factual information to policymakers, stakeholders and investors in the power system
