## Attachment D Current Auction Time Line

### Autumn 2022 Centralized TCC Auction Time Line

Date	Description (Time references are prevailing Eastern Time)
August 1	The NYISO must receive completed requests for the 2022 TCC Auction Data accompanied by a non-disclosure agreement no later than 5:00 PM to ensure delivery by August 8, 2022. Requests received later will result in delivery of the Autumn 2022 TCC Auction Data after August 8, 2022. Market Participants who have received the Spring 2022 TCC Auction Data do not need to submit a separate request and non-disclosure agreement to receive the Autumn 2022 TCC Auction Data.
(August Auction)	The TCC Revenue Allocation Invoice and supporting revenue allocation data for the August 2022 Balance-of-Period Auction will be posted on the TCC Automation site no later than this date.
August 3 (August Auction)	<p>The payments to/from Market Participants for all TCCs awarded/sold in the August 2022 Balance-of-Period Auction as well as the distribution of any net auction revenues to the applicable Transmission Owners from such payments will be included on the weekly invoice for the billing period of July 23, 2022 - July 29, 2022 issued as part of the NYISO's Consolidated Invoice process.</p> <p>Please note that the date reflected represents the expected invoice issuance date for the applicable invoice based on the information available at the time of the posting of this document. The due date for net payments to or from the NYISO for the applicable invoice shall be in accordance with the dates specified by the NYISO for the invoice at issue.</p>
August 5 (September Auction)	The NYISO will provide the applicable Transmission Owners with a list of transmission facility outages that are scheduled out-of-service for a majority (>50%) of any month covered by the September 2022 Balance-of-Period Auction no later than 12:00 PM.
August 8	The earliest date the NYISO will provide the Autumn 2022 TCC Auction Data in PSS/E ASCII data format upon written request and submittal of a non-disclosure agreement.
August 9 (September Auction)	The NYISO will post the TCC Auction modeling option chosen for each transmission facility outage scheduled out-of-service for a majority (>50%) of any month covered by the September 2022 Balance-of-Period Auction for consideration in that Auction no later than 12:00 PM.
August 10	The NYISO will provide the applicable Transmission Owners with the ETCNL and RCRR that may be reserved from the Autumn 2022 Centralized TCC Auction no later than 12:00 PM.
<b>August 12 - 18</b>	<b>September 2022 Balance-of-Period Auction</b>
August 12	The applicable Transmission Owners may reserve ETCNL and RCRR from the Autumn 2022 Centralized TCC Auction in the Automated TCC Market System up to 12:00 PM.
	The NYISO will post the ETCNL and RCRR reserved by Transmission Owners from the Autumn 2022 Centralized TCC Auction no later than 5:00 PM.
