### **NYISO President William Museler to Join Energy Secretary Abraham In Highlighting Need for Electric Infrastructure Improvements**

On Tuesday, May 29, 2001, New York Independent System Operator President and CEO, William J. Museler will join United States Secretary of Energy, Spencer Abraham and officials from Consolidated Edison for a visit to the Sprain Brook Substation in Yonkers, New York to discuss the importance of New York's electricity infrastructure.

The Sprain Brook Substation is one of the primary bottlenecks for transmitting electricity from upstate New York, into New York City and onto Long Island.

**WHO:** Secretary of Energy, Spencer Abraham  
William Museler, President & CEO of NY Independent System Operator  
Eugene McGrath, Chairman of Consolidated Edison  
Kevin Burke, President of Consolidated Edison

**WHAT:** Press Conference

**WHEN:** Tuesday, May 29, 2001  
11:15 a.m.

**WHERE:** Sprain Brook Substation (Con Edison)  
248 Tuckahoe Road  
Yonkers, NY
