

For Immediate Release:

NYISO Offers Market Training in White Plains

The New York Independent System Operator (NYISO) will offer a market training course on May 9-12 at the New York Power Authority Centroplex, 123 Main Street, White Plains, NY.

The in-depth, three and one-half day New York Market Overview Course is geared toward active or prospective participants in New York's wholesale electricity markets. Attendees receive instruction in the purchase and sale of energy, capacity and related market products.

The registration deadline for the Market Overview Course is Monday, April 24. To register for classes or view course materials, visit the [Market Training Course Catalog](#) available on the NYISO website (www.nyiso.com).
