

Management Committee
December 21, 2022 Meeting
Agenda #5

Motion:

The Management Committee (“MC”) hereby approves, and recommends to the NYISO Board for filing under Section 205 of the Federal Power Act, revisions to the Market Services Tariff and Open Access Transmission Tariff as posted for review and as described in the presentation entitled “Hybrid Aggregated Storage Market Design Proposal” made to the MC on December 21, 2022.
