Con Edison Updates

Use of Con Edison Real Estate

- No real property rights will be granted to a third-party developer for Con Edison owned property where Con Edison is not engaged with that developer to incorporate a Con Edison developed hub. The hub location real estate has been identified as necessary for future utility purposes.

Con Edison Collaboration Deadline

- To permit adequate solution development support in time to satisfy the NYISO's anticipated bid submittal deadline, Con Edison requires an executed CCA be in place by close of business on ***December 14, 2023***. After this date, Con Edison will no longer negotiate, nor countersign, confidentiality and collaboration agreements.
