
System Operations Advisory Subcommittee
Meeting Minutes
November 9, 2023
Teleconference
10:00 a.m. – 10:40 a.m.

1. Administrative

Mr. John Hart (National Grid) welcomed everyone to the meeting and took attendance.
Meeting Minutes – September and October 2023

2. Chair’s Report

Mr. Hart reported he had not received any correspondence from the Operating Committee (OC) since the last meeting.

3. NYISO Staff Reports

a) Operations Report – October 2023

Ms. Tara Lefevre (NYISO) reviewed the October 2023 Operations Report included with the meeting material. There were no questions.

b) Training Report

Mr. Robert Brown (NYISO) reviewed the training report included with the meeting material. There were no questions.

4. NYISO Winter 2023-2024 Operating Study Report

Mr. Declan Cahill (NYISO) reviewed the NYISO Winter 2023-2024 Operating Study Report included with the meeting material.

Mr. Andy Pebbles (Sarcen) asked for clarification on the PAR schedule change for the Dysinger East line from 100 MW to 400 MW. Mr. Cahill stated that this change is more reflective of what the NYISO is seeing in real time operations flow across that line.

SOAS recommended OC approval

New Business

None.

The next meeting is on Thursday, December 7, 2023.
