

*Business Issues Committee*

December 13, 2023

Agenda #6

---

Motion:

The Business Issues Committee (“BIC”) hereby recommends that the Management Committee (“MC”) approve the Modeling Improvements for Capacity Accreditation rules, as those concepts were presented and discussed at the December 13, 2023 BIC meeting. Tariff language reflecting these Modeling Improvements shall be further refined and reviewed at an Installed Capacity Working Group meeting prior to presentation to the Management Committee.
