### **Spring SOTS 2024**

- This course will be conducted in person at the NYISO KCC and run from March 12<sup>th</sup> through April 19<sup>th</sup>.
- Training will start on [Tuesday at 1200 and run through Friday at 1200](#) for weeks 1, 2 and 4 through 6. Week 3 will start [Monday 2/25/24 at 1200 and run through Thursday 3/28/24 at 1200](#) due to the Good Friday Holiday on 3/29/24.
- Restoration training will be conducted as part of this session. Two simulation sessions are planned for each week, one on day 2 and one on day 3 of the course.
- Transmission Operators are requested to provide a list of Generators you would like to participate in this years restoration simulations by January 16<sup>th</sup>. The requirement is that Generator Operators (GOPs) listed on your restoration plan participate at least once every two years.
- A list of last years GOP participants was previously sent to the Training Task Force members. If you did not receive that information please contact Robert Brown [rbrown@nyiso.com](mailto:rbrown@nyiso.com) or Tom Austin [taustin@nyiso.com](mailto:taustin@nyiso.com) and we will provide that information.
