

2/8/2024 SOAS – Operator Training

Learning Contracts 2024

- Learning contracts have been added to existing Vision user accounts. Please log into your Vision account and complete the 2024 Learning Contract activity. This activity is required to be completed prior to participating in any course that will result in Continuing Education Hours. If you have any questions please contact Michael Waters mwaters@nyiso.com.

CESOC 2024

- This course will be conducted in person at the NYISO KCC.
- Part 1 will be run from February 26th through March 8th.
- Part 2 will be run from April 22nd through May 3rd.
- We have received requests from all Transmission Owners (TOs) and the class is currently full. There is a waiting list, if any TO's will not need all the seats they were given please inform Josh Jacobi as soon as possible so we can allow someone from the waiting list to attend, jjacobi@nyiso.com.
 - Central Hudson (2 seats)
 - ConEd (1 seat)
 - PSEG Long Island (2 seats)
 - LS Power (2 seats)
 - NYPA (5 seats)
 - Avangrid (2 seats)
 - NYISO (8 seats)

Spring SOTS 2024

- This course will be conducted in person at the NYISO KCC and run from March 12th through April 19th.
- Training will start on [Tuesday at 1200 and run through Friday at 1200](#) for weeks 1, 2 and 4 through 6. Week 3 will start [Monday 3/25/24 at 1200 and run through Thursday 3/28/24 at 1200](#) due to the Good Friday Holiday on 3/29/24.
- Restoration training will be conducted as part of this session. Two simulation sessions are planned for each week, one on day 2 and one on day 3 of the course.
- Transmission Operators were requested to provide a list of Generators you would like to participate in this years restoration simulations by January 16th. The requirement is that Generator Operators (GOPs) listed on your restoration plan participate at least once every two years.
- A list of last years GOP participants was previously sent to the Training Task Force members. If you did not receive that information please contact Josh Jacobi jjacobi@nyiso.com, Tom Whalen twhalen@nyiso.com, or Tom Austin taustin@nyiso.com and we will provide that information.
