1. Administrative Matters and Chair's Report

Mr. Gregory Sacco (NYPA) called the meeting to order at 9:05 AM and welcomed the members of CDAS as roll call was taken.

The meeting minutes from January 2024 were approved.

2. ICCP Updates

No updates.

3. Updates to the Cartosa File Name

Mr. Stephen Singer (NYISO) provided an overview of updates to CARTOSA file name that will be planned for deployment on February 14, 2024.

Please Note: Scheduled deployment of CARTOSA update on 2/14/24 will involve the EDT/EST time zone being removed from the naming convention in the filename.

For example: The filename cartosa20240123T1322EST.csv would become cartosa20240123T1322.csv

4. Central Hudson EMS Status Report

Mr. Ryan Coalla (Central Hudson) reported that Central Hudson is in the last week of Factory Acceptance Testing and everything is going well so far. Site Acceptance Testing would begin in the coming month and it would be a long testing cycle. Cutover is planned for early 2025.

5. Telemetry Discussion

Mr. Keith Jones (AvanGrid) said he would contact the responsible parties again

for an update on the outstanding NYSEG metering issues.

6. **FERC Order 881 Update**

Mr. James Sweeney (NYISO) reported that on January 30, 2024, the NYISO filed a Motion for Extension of Time to Comply with FERC Order No. 881. The NYISO is seeking an extension to implement the requirements of Order No. 881. The NYISO requested a decision from FERC by March 29.

7. **Review Action Items and Update**

None.

8. **Open Issues/New Business**

None.

The next meeting is on Thursday, March 7, 2024.
