

Management Committee
March 27, 2024 Meeting
Agenda #4

Motion:

The Management Committee (“MC”) hereby approves, and recommends to the NYISO Board for filing under Section 205 of the Federal Power Act, revisions to the Market Services Tariff and Open Access Transmission Tariff as posted for review and as described in the presentation entitled “Co-located Storage Resource Update Market Design Proposal” made to the MC on March 27, 2024. The proposed Tariff revisions update and supplement language that the Management Committee approved and recommended for filing under Section 205 of the Federal Power Act on December 21, 2022.
