

Management Committee Meeting

April 24, 2019

Agenda # 04

Motion:

The Management Committee (“MC”) hereby approves, and recommends to the NYISO Board for filing under Section 205 of the Federal Power Act, revisions to the Open Access Transmission Tariff and Market Administration and Control Area Services Tariff as described in the presentation entitled “DER Energy & Capacity Market Design” made at the April 24, 2019 MC meeting.
